There shall be a Board of Education consisting of nine members who shall be elected in accordance with the laws of the State of Connecticut for terms of two years. At each such election, each elector shall have the opportunity to vote for a number of candidates equal to the number of vacancies occurring on the Board of Education.

provisions of this Charter, it is necessary to break a tie, a special election conducted in accordance with the Connecticut General Statutes confined to the tied candidates shall be called by the Town Council no later than twenty-one days after said election, to determine which shall be elected. In the case of a tie vote as the result of any primary, the tie vote shall be resolved in accordance with the Connecticut General Statutes.

Section 5. Eligibility

No person shall be eligible for election to any town office who is not, at the time of his/her election, a resident elector of said town, and any person ceasing to be a resident elector of said town shall thereupon cease to hold elective office in the town.

Section 6. Vacancies

Any vacancy in any elective town office from whatever cause arising, except as otherwise provided in this charter, shall be filled by appointment by the Council for the unexpired portion of the term or until the next biennial election, whichever shall be sooner, provided that such vacancy shall be filled by a person of the same political party or affiliation as that of the person who just vacated the office. If there shall be a biennial election before the expiration of the term of office of any person appointed to an elective office under the provisions of this section, such office shall be filled by the election of a person to fill that office for the unexpired portion of the term.

Section 7. Voting Districts

All officers of the Town of Wallingford who are chosen by election shall be elected at large. The voting districts shall continue to be as established on the effective date of this Charter provided the Council may, from time to time, by ordinance, divide the town into voting districts for the establishment of polling places therein.

Section 8. Appointments

All appointments made by the Mayor that require confirmation by the Council shall be subject to the provisions of this section. Pending confirmation, any person presently holding any such office shall remain in office. The Mayor shall be the presiding officer at the first meeting of the Council until a Chairperson is duly elected. Each newly elected Council shall, at its first meeting or as soon thereafter as practicable, elect from its own number a Chairperson and Vice-Chairperson, but this office shall not deprive such Chairperson or Vice Chairperson of his/her vote on any question. The Chairperson shall be the Deputy Mayor, and shall exercise the powers, duties and obligations of the office of Mayor during the temporary absence or temporary disability of the Mayor. During any period when the Deputy Mayor is temporarily exercising said powers, duties and obligations of the office of Mayor, he/she shall retain his/her vote as a Council Member. Should the office of the Mayor become vacant because of death, permanent disability or resignation, the Deputy Mayor shall assume the office of Mayor until the next biennial election, and shall resign from the Council and the Council shall fill the vacancy for the remainder of the Council's term. The Deputy Mayor may refuse to assume the office of Mayor, but upon such refusal, shall resign as Chairperson of the Council, and Council shall elect from its own number a Mayor until the next biennial election, at a duly convened Council meeting. A Council member so elected shall resign from the council, and the Council shall fill the vacancy for the remainder of the Council's term. Following the filling of said vacancy, the Council shall elect from its own number a Chairperson, and Vice Chairperson, if necessary, all members of the Council including the newly elected member and the former Chairperson who had refused to serve as mayor being eligible for said post.

It shall determine its own rules of procedure. All meetings of the Council for the transaction of business shall be open to the public, and the votes shall be recorded as prescribed in the Connecticut General Statutes. Six members shall constitute a quorum, but no ordinance, resolution, or vote on any matter, except a vote to adjourn or to fix the time

The Council may authorize the transfer of the management and investment of the town's pension funds to any fiduciary institution chartered or licensed to operate in the State of Connecticut under the provisions of the Connecticut General Statutes. Said Council may exercise legislative oversight over the operation of boards, commissions and offices which it fills by appointment, and fix the compensation of the registrars of voters and the officers and employees appointed by it. Said Council may fix the charges, if any, to be made for services by the town or for the execution of powers vested in the town as provided in Chapter I of this Charter. The Council shall have such other powers as are provided by this Charter.

If the Mayor disapproves a proposed ordinance or budget ordinance, the Mayor shall, within ten (10) days, return it to the clerk of the Council with a statement of the reasons for disapproval, which statement the clerk shall transmit to the Council at its next meeting. If the Council shall approve the proposed ordinance by at least seven (7) affirmative votes within ten (10) days after such ordinance has been returned with the Mayor's disapproval, it shall become effective without his/her approval. If the Mayor does not return the proposed ordinance within the time required, it shall become effective without the Mayor's approval. The Mayor may disapprove or reduce any item or items in any appropriation, whereupon the approved portion of the appropriation shall become effective unless the disapproved portion is passed by the Council over the Mayor's veto as herein provided, in which case the entire appropriation becomes effective.

(b) Within ten (10) days after an ordinance has been approved by the Mayor, or has become effective without the Mayor's signature, or has been re-passed by the Council over the Mayor's veto, such ordinance, except a budget ordinance, shall be published once in its entirety in a newspaper having circulation within the town or by alternative means established by the Council by ordinance. Said petition shall be accompanied by affidavits signed and sworn to by each circulator of such petition certifying to the authenticity of the signatures on such petition. The Town Clerk shall determine the sufficiency of the petition and the affidavits in

the manner prescribed by the Connecticut General Statutes. Unless at least twenty (20) percent of the electors entitled to vote on the question shall have voted, such proposed ordinance shall not become effective, and the result shall be construed as against adoption. No ordinance which shall have been adopted in accordance with the provisions of this section shall be repealed or amended by the Council except by petition and vote of the electors.

Upon the filing of a sufficient petition, the ordinance or resolution shall remain without effect until the electors vote on the question as above provided. A majority vote of the electors to repeal the ordinance or resolution shall not become effective unless a total of at least twenty (20) percent of the electors entitled to vote on the question shall have voted. If the vote to repeal fails, the ordinance or resolution, as passed by the Council, shall become effective immediately.

Such budget shall provide for the setting aside from annual net income of an adequate depreciation reserve and/or surplus for each division.

Section 8. Separate Division Accounts

Separate books and accounts shall be kept of the electrical, water and sewer operations by the respective divisions of the Department of Public Utilities. The electrical and water divisions' accounts shall be kept in the manner required by the uniform systems of accounts for electric and water utilities as promulgated by the Public Utilities Regulatory Authority. Each division shall be a separate operation, except insofar as the Commission may determine that joint operations shall be advisable and economical, in which event the expense incurred in such joint operations shall be pro-rated among the divisions in such manner as the Commission determines to be equitable. All receipts shall be turned over to the Town Treasurer as required by Chapter XIX of this Charter, and deposited by him/her as the Comptroller may require.

Section 9. Accounting and Reporting

The Commission, in addition to the reports and accounting it may be required to make pursuant to state statutes applicable to municipally-owned utilities, shall not later than the first day of October in each year, furnish the Council, through the Mayor and the Town Clerk, its annual report. The Comptroller of the town shall be the fiscal officer of the Department of Public Utilities, and the annual report shall be rendered by him/her. The annual report shall include the following statements: A balance sheet showing the financial condition of each separate utility within the department, and a consolidated balance sheet of the department as a whole as of the preceding June 30, prepared according to the generally accepted accounting principles; a statement of operations for each separate utility and a consolidated statement of operations for the fiscal year ending on that day; and any additional supporting statements or schedules which may be determined by the Mayor to be necessary and desirable in order to make a clear and informative presentation of the financial position of the department at the close of the fiscal year.

Section 10. Director of Public Utilities, Powers and Duties

The Commission shall appoint and may remove a Director of Public Utilities who shall be responsible to the Commission and who shall serve at the pleasure of the Commission. The Director shall be appointed on the basis of his/her qualifications and experience in utilities management. The Director may appoint and remove a general manager for each of the three divisions subject to Chapter XX of this Charter, except that he/she may fill any or all such positions himself/herself, unless the Commission shall otherwise direct. The Director of Public Utilities shall exercise his powers and discharge his duties under the supervision of the Commission.

Section 11. Obligations of Public Utilities Divisions

This Charter shall not in any way impair any obligation relating to the Electric and Water Departments or the Sewer Authority of the Town of Wallingford, as constituted prior to the effective date of this Charter; and shall not change or alter the obligations of any existing contract, bonds or other obligations, all of which, insofar as they apply to the Electric and Water Departments or the Sewer Authority, shall be binding on the Public Utilities Commission of the Town of Wallingford, and all such obligations are assumed by the Town of Wallingford under the direction of its Public Utilities Commission as herein provided.

Section 12. Financial Provisions

The town may finance the acquisition of privately owned utility properties, the purchase of land, and the cost of all construction and property installation for utility purposes by borrowing in accordance with the provisions of Chapter XIX of this Charter and the provisions of the Connecticut General Statutes governing bond issues of public utilities. Appropriate provisions shall be made, however, for the amortization and retirement of all bonds within a maximum period of thirty (30) years. Such amortization and retirement may be effected through the use of depreciation funds or other financial resources provided through the earnings of the utility.

Section 13. Oversight of the Commission by the Council

The Council shall exercise oversight of the actions of the Commission, and may veto any action of the Commission, except appointments made under the authority of this Chapter or Chapter XX of this Charter, by a positive act of the Council within fifteen (15) days of any action by the Commission; otherwise, all actions of the Commission shall be deemed final. To veto any action of the Commission, the Council must do so by an affirmative vote of at least seven (7) members. All bond issues shall be governed by the referendum provisions of this Charter.

CHAPTER XIX. FINANCE AND TAXATION

Section 1. General Form of Budget Presentation

The Mayor shall require each department, office or agency of the town supported wholly or in part by town funds, or for which a specific town appropriation is made, including the Chairperson of the Board of Education and of the Public Utilities Commission, to set forth, in narrative or such other form as the Mayor may prescribe, a program or programs showing services, activities and work accomplished during the current fiscal year and to be accomplished during the ensuing year.

Section 2. Departmental Estimates

The head of each department, office or agency of the town, as described in Section 1, including the Chairperson of the Board of Education and of the Public Utilities Commission, shall, at least one hundred twenty (120) days before the end of the fiscal year, file with the Mayor on forms prescribed and provided by him/her a detailed estimate of the expenditures to be made by the department or agency and the revenue, other than tax revenues, to be collected thereby in the ensuing fiscal year and such other information as may be required by the Council or the Mayor.

Section 3. Duties of the Mayor on the Budget

Not later than ninety (90) days before the end of the fiscal year, the Mayor shall present to the Council a budget consisting of: (a) a budget message outlining the financial policy of the town government and describing in connection therewith the important features of the budget plan; (b) estimates of revenue, presenting in parallel columns the itemized receipts collected in the last completed fiscal year, the receipts collected during the current fiscal year prior to the time of preparing the estimates, total receipts estimated to be collected during the current fiscal year, and estimates of the receipts, other than from the property tax, to be collected in the ensuing fiscal year; (c) itemized estimates of expenditures, presenting in parallel columns the actual expenditures for each department, office, agency or activity for the last completed fiscal year and for the current fiscal year prior to the time of preparing the estimates, total expenditures as estimated for the current fiscal year, the requests of the several departments, offices and agencies for the ensuing fiscal year, and the Mayor's recommendations of the amounts to be appropriated for the ensuing fiscal year for all items, including those of the Department of Education, and such other information as may be required by the Council. Such budget estimates shall include contingency accounts, both designated and undesignated, as shall be deemed necessary and in accordance

with the Connecticut General Statutes. The Mayor shall present reasons for all his recommendations; (d) as part of the annual budget or as a separate report attached thereto, the Mayor shall present a program, previously considered and acted upon by the Town Planning and Zoning Commission in accordance with the Connecticut General Statutes, concerning municipal improvements, of proposed capital projects for the ensuing fiscal year, and for the five fiscal years thereafter. Estimates of the costs of such projects shall be submitted by each department, office or agency annually in the form and manner prescribed by the Mayor. The Mayor shall recommend to the Council those projects to be undertaken during the ensuing fiscal year and the method of financing the same.

Section 4. Duties of the Council on the Budget

The Council shall hold one or more public hearings not later than sixty (60) days before the end of the fiscal year, at which any elector or taxpayer may have an opportunity to be heard regarding appropriations for the ensuing fiscal year. The Council shall cause sufficient copies of said estimates to be made available for general distribution in the office of the Town Clerk and, at least five (5) days prior to the aforementioned public hearing, the Council shall cause to be published, in a newspaper having circulation in the Town or by alternate means established by the Council by ordinance, a notice of such public hearing and a summary of said proposed budget estimates showing anticipated revenues by major sources, and proposed expenditures by functions or departments in the same columnar form as prescribed for budget estimates in Section 3 of this Chapter; and shall also show the amount to be raised by taxation. Subject to the provisions of Chapter III, Section 7, the Council shall adopt a budget by the second Tuesday of May in each year, and file the same with the Town Clerk. At the time when the Council shall approve the budget, it shall also fix the tax rate in mills which shall be levied on the taxable property in the town for the ensuing fiscal year. It is the intent of this Charter that taxes in the Town of Wallingford shall be levied insofar as possible in equitable proportion to the benefits and services received by its inhabitants. To this end, the cost of services, facilities, and improvements which are of general benefit and for general governmental purposes shall be borne by all the taxpayers of the town. For the purpose of providing for the cost of services, facilities, and improvements which are of general benefit and for general governmental purposes, the Town of Wallingford shall constitute one taxing district. As of the effective date of this Charter, certain services, facilities, and improvements are not deemed of general benefit to the town, but benefit specially some particular area of the town, or a particular segment of the inhabitants of the town. These special benefits and general benefits may be redefined from time to time by the Council, in accordance with the areas of the town actually provided the services. The cost of any benefits which the Council may decide are of special benefit nature shall be provided by special assessments, user service charges, special taxes or other charges made against persons or areas receiving the special benefits. Should the Council fail to adopt a budget after holding such public hearing or hearings, the budget, as transmitted by the Mayor, in accordance with the provisions of Section 3 of this Chapter, shall be deemed to have been finally adopted by said Council. The tax rate shall forthwith be fixed by the Mayor, and thereafter expenditures shall be made in accordance with the budget so adopted. The Council may levy annually, at the same time as the regular annual taxes for town expenses, a tax at a mill rate permitted by law to be assessed upon the taxable property in the town for the

benefit of a fund to be known as the "Capital and Nonrecurring Expenditure Fund" to be used solely to pay the cost of capital improvements for which the town is authorized to issue bonds. The Council shall have the power to transfer from time to time to this fund any portion of the general fund cash surplus not otherwise appropriated. Appropriations for construction or for other permanent improvements, from whatever source derived, shall not lapse until the purpose for which the appropriation was made shall have been accomplished or abandoned, provided such appropriations shall be deemed to have been abandoned if no expenditure from or encumbrance of the appropriation has been made within three (3) years of its approval except as provided in the next paragraph.

Any portion of an annual appropriation remaining unexpended and unencumbered at the close of the budget year shall lapse on final adjustment in accordance with generally accepted accounting principles, provided that, upon the recommendation of the Mayor and approval by the Council, specific acquisitions or projects may be budgeted in annual installments and shall not lapse until they are purchased, completed or abandoned.

Section 5. Expenditures and Accounting

(a) No purchase shall be made on account of the town except in accordance with the provisions of Chapter VIII, Section 4, except in the case of emergency circumstances as determined by the Mayor, and provided that such emergency purchases are made in a manner consistent with procedures as set forth in the Purchasing Ordinance of the Town of Wallingford. The Comptroller shall record the amount of authorized purchases and contracts for future purchases as encumbrances against the appropriation from which they are to be paid.

(b) No voucher, claim or charge against the town shall be paid until the same has been audited by the Comptroller or his/her agent and approved by him/her for correctness and legality. Checks shall be drawn by the Comptroller for the payment of approved claims which shall be valid only when countersigned by the Treasurer. In the absence or inability to act of either the Comptroller or Treasurer with respect to the above duty, the Mayor shall substitute temporarily for either, but not both of them. In the absence of the Treasurer, the Mayor is also authorized to countersign checks issued by a duly authorized representative of the Board of Education.

(c) The Comptroller shall prescribe the time at which and the manner in which persons receiving money on account of the town shall pay the same to the Town Treasurer.

(d) The several departments, commissions, officers and boards of the town shall not involve the town in any obligation to spend money for any purpose in excess of the amount appropriated therefor until the matter has been approved by the Council. When any department, commission, board or officer, (except the Board of Education) shall desire to secure a transfer of funds in its or his/her appropriation from funds set apart for one specific purpose to another, before incurring any expenditure therefor, such department, commission, board or officer shall make application to the Mayor who, upon certification of funding availability by the Comptroller, may approve and transfer an amount not to exceed \$500.00 or another amount as may be amended by ordinance per fiscal year per adopted line item within a departmental budget. The Mayor shall render a monthly report of such transfers to the Town Council. Amounts requested above \$500.00 or another amount as may be amended by ordinance shall be approved or

disapproved by the Mayor and forwarded to the Council, whose duty it shall be to examine into the matter; and upon the approval of the Council, such transfer may be made, but not otherwise.

(e) Upon the request of the Mayor, but only within the last three months of the fiscal year, the Council may by resolution transfer any unencumbered appropriations, balance or portion thereof from one department, commission, board or office, to another. No transfer shall be made from any appropriations for debt service and other statutory charges.

(f) Additional appropriations over and above the total budget may be made from time to time by a resolution of the Council, upon recommendation of the Mayor and certification from the Comptroller that there is available an unappropriated and unencumbered general fund cash balance to meet such appropriations.

(g) Every payment made in violation of the provisions of this Charter shall be deemed illegal, and every official authorizing or making such payment or taking part therein, and every person receiving such payment or any part thereof shall be jointly and severally liable to the town for the full amount so paid or received. If any officer or employee of the town shall knowingly incur any obligation or shall authorize or make any expenditure in violation of the provisions of this Charter, or take part therein, such action shall be cause for his removal.

Section 6. Fiscal Year

The fiscal year of the Town of Wallingford shall begin on July 1. The Council shall set the dates for the assessment of taxes and the collection thereof.

Section 7. Annual Audit

The Council shall annually designate an independent public accountant or firm of independent public accountants to audit the books and accounts of all departments and agencies of the town as provided in the Connecticut General Statutes, and subject to the provisions of Chapter VIII, Section 4, of this Charter. One copy of the town audit report shall be placed in the main branch of the public library.

Section 8. Borrowing

The town shall have power to borrow money for its general or special purposes and issue its bonds or notes in evidence thereof and as security therefor in accordance with any applicable special acts and the General Statutes of the State of Connecticut, as the same may be from time to time amended, and subject to the limitations thereof and of this Charter. The issuance of bonds and notes shall be authorized by ordinance, and such issue shall be subject to the referendum provisions of Chapter III, Section 9, of this Charter, except in the case of tax anticipation notes to be paid within the fiscal year of such issue.

If a special appropriation in excess of available revenue, including unappropriated contingency funds and unappropriated surplus is required for any purpose, an estimate of the same shall be prepared by the Mayor and submitted to the Council; the Council, by vote of not less than seven members, may make any such appropriation and lay a special tax to meet the same; but if the tax rate has been fixed for such year, the Council may authorize the issue of notes or other obligations of the town to provide funds to defray such appropriation, and a sufficient amount shall be included in the next budget to

pay such indebtedness with interest thereon.

CHAPTER XX. THE CLASSIFIED SERVICE

Section 1. The System Established

There shall be a classified service of the Town pursuant to the Connecticut General Statutes. All officers and employees in the classified service of the Town as described in Section 2 below shall be appointed on the basis of merit and in conformity with recognized principles of public personnel administration.

Section 2. The Classified Service

The classified service shall include appointees to all positions now or hereafter created, except the following: Elective officers and persons appointed to fill vacancies in elective offices; members of boards and commissions, and other officers appointed by the Council; professional employees of the Board of Education; Town Attorneys, except the Corporation Counsel and other full-time assistant Corporation Counsel appointed pursuant to the provisions of this Chapter, the Director of Public Utilities, the Director of Health, Chief of Police, supernumeraries and crossing guards; Chief of Fire Department; the Animal Control Officer; persons employed in a professional capacity to make or conduct a temporary and special inquiry, study, or investigation; persons employed for a temporary period not exceeding three months; persons employed on a part-time basis for a total of not more than twenty (20) hours per week, and persons who are employed in any Federal or State employment program, or any program funded by the State or Federal government.

It shall be the duty of the Mayor to cause to be prepared a statement of the duties and responsibilities of each position in the classified service and of the minimum qualifications for appointment to such positions. These statements shall comprise the classification plan of the Town, which shall become effective upon approval of the Council, and which may be amended upon recommendation of the Mayor and approval of the Council. New or additional positions in the classified service may be created and changes in the duties and responsibilities of existing positions may be made upon the recommendation of the Mayor and approval of the Council. The Mayor shall also cause to have prepared a set of personnel rules which shall provide, among other things, for the method of holding competitive examinations, administration of the classification plan, probationary periods of employment, hours of work, vacations, sick leaves and other leaves of absence, removals, and such other rules as may be necessary to provide an adequate and systematic procedure for the handling of the personnel affairs of the Town. Such rules and any amendments thereto shall become effective upon being filed by the Mayor with the Town Clerk. Copies of such rules and any amendments thereto shall be distributed to all members of the classified service.

CHAPTER XXI. ETHICS AND CONFLICT OF INTEREST

A. Code of Ethics

The Town Council shall establish, by ordinance, a Code of Ethics.

B. Conflict of Interest

No officer or employee shall have any interest, financial or otherwise,

direct or indirect, which is in conflict with the proper discharge of his or her official duties or employment. Interest shall be as defined by the Code of Ethics or other ordinance and any applicable state law, as may be applicable to an individual case.

Any officer or employee who has, or knows he or she will have, such an interest shall disclose, in writing, the nature and extent of such interest to the chairman or agency, commission or board, of which he or she is a member, or, in the case of an employee, to his or her superior, with a copy to the Board of Ethics.
