

Wallingford Energy Conservation Commission  
Nov 22, 2010 at 7:00 p.m.  
Wallingford Public Library  
45 South Main Street, Wallingford, CT

Attendees: Ben Martin, Sharon Mooney, Mary Mushinsky, Rosalind Page,  
Bill Pursell

Meeting was moved to the the public library because Town Hall was locked.  
The commission Approved minutes from Oct 25th meeting.

The commission discussed getting an update on the school project from Sal Menzo. The bids for energy manger were scheduled to be returned Nov 19<sup>th</sup> or 20<sup>th</sup>. Bill planned to contact Menzo and see when he would be able report the status of the project.

The commission reviewed the documentation we should present to town council and Public Utilities Committee. Time was spent revising the resolution for energy saving. Mary mentioned that we could use tools from the Institute for Sustainable Energy to establish benchmark values for the rest of the town buildings. She also suggested using examples of what other towns have done. Ben volunteered to contact the PUC for some clarifications on data provided on the electricity use of the town buildings. Ben reported that Don Roe and other town department heads had been contacted about preparing an application for Lawn Equipment Exchange Fund by December 1, 2010.

Meeting was adjourned at 9:00 due to the closing of the library.
