

Wallingford Energy Conservation Commission
Jan 23, 2012 at 7:00 p.m.
Town Hall Room #116
45 South Main Street, Wallingford, CT

Attendees: Troy Searcy, Sharon Mooney, John Lynch, Mary Mushinsky,
Ben Martin

Meeting commenced at 7:15 PM

The minutes of the meeting of Dec 19, 2011 were approved. The commission discussed upcoming meeting with Mayor Dickinson about completing municipal building audits and how the commission can help enact energy efficiency measures in Wallingford. Mary provided in depth report on the commissions activities, past and going forward.

John updated the commission on the school roof building committee. They reviewed proposals for photovoltaic systems and accepted plans for roofs including solar systems to start the bidding process. The state must approve the funding once bids are accepted.

Sharon updated the commission on plans for Earth Day events. The tentative plan is to have Jonathan Schrag speak at 7:00 PM on April 26 at the Wallingford Public Library. The commission is also planning to invite other groups to setup displays on energy efficiency to be available before the main presentation. Another event being planned is a showing of Earth: The Operators Manual at the library on April 11 with a discussion to follow.

Meeting was adjourned at 8:56 PM.
