

Wallingford Energy Conservation Commission
June 28, 2010
Town Hall Room #116 @ 7:00 p.m.

Minutes

In attendance: Sharon Mooney, John Lynch, Ben Martin,
The Commission was called to order at 7:15 PM.

Sharon talked to Juliet, Meriden's Grant manager, as to what their group is like.

Ad Hoc committee

Grant Manager, Director of Information, councilor and 1 concerned citizens

Replaced boiler, audited meters and power bills

Changed lighting in municipal building

Backup generators for demand service

Revonated the ventilation system for the water department, to save alot

Energy Manager Contractor salary coming from utility budget

Audit summaries of public buildings would be helpful to find places to save departments money

Is PUC and CMEEC relationship a problem? Is the utility autonomous?

We need to get government involved in the plan. Do we invite involvement now or after we develop a plan?

Need to develop better organization.
