

Wallingford Energy Conservation Commission
Dec 3, 2012 at 7:00 p.m.
Town Hall Room #116
45 South Main Street, Wallingford, CT

Attendees: Mary Mushinsky, Sharon Mooney, John Lynch, Ben Martin

Meeting Commenced at 7:20 PM

The minutes of the August 29, 2012 meeting were approved.

The WECC Activity report was discussed with some edits suggested. Ben will update the latest version of the document with suggestion and email out for approval.

The Commission also discussed its role making the recommendations in the Municipal Building Energy Audit report are implemented. Ben will contact Rick Hendershot at the Wallingford Electric Division to find out the status of the project and ask about having regular status meetings.

Jon informed the commission that three of the Wallingford School roof installations completed and verified by the manufacturer. The solar systems will be installed next year due to problems with the condition on the roof. The meeting schedule was permanently changed to the 4th Wednesday of every month.

Mary discussed plans to hold an educational forum on energy efficiency with reps from gas, oil, solar and other energy companies. Mary will organize the representatives to get this planned as soon as possible Sharon and John will research venues, Ben will handle press and publicity.

The commission discussed the Yalesville Fire Station to be built and making sure that the planned energy efficiency features get implemented.

The commission also discussed way to attract new members and when to schedule meeting for 2013. A tentative meeting was scheduled for Dec 17th if needed.

Meeting was adjourned at 9:21 PM.
