

Wallingford Energy Conservation Commission  
June 8, 2015 at 7:00 p.m.  
Town Hall Room #116  
45 South Main Street, Wallingford, CT

**Minutes**

Attending: Mary Mushinsky, Ben Martin, Sharon Mooney, Bill Pursell,  
Matt Gunter

Meeting commenced at 7:15 PM.

The commission approved the meeting minutes from May 4, 2015  
Sharon reported on the information she found about reserving a booth at Celebrate Wallingford. The commission discussed what we could display and hand out at the event. Bill can provide tent, table and chairs. Mary will work on developing a kids game or activity to educate them about energy efficiency. Ben will modify energy conservation pledge used at school fair. The commission resolved to request the Water Department bring their Chevy Volt for display of how the town is saving energy. Ben will call Wallingford Inc. to ask if this will be possible, Water Dept. to request it and Sharon Emmons from the Wallingford Electric Division to ask if they would like to work together. Mary will research having a WECC banner designed for Bill to print. The commission also discussed contacting local hardware store for donations of energy efficiency products.

The commission discussed Stop & Shop applying for funds for a electric vehicle charging station. Ben emailed Scott Germaine the application forms from DEEP and will follow up with a phone call. Mary spoke to the head of CT DOT (Reddicker) and DEEP (Klee) about including chargers in the design of the new Commuter Train station in Wallingford. Bill will draft letter to Reddicker to formally request chargers at the station. Matt added new CT rebates to the letter advising the Town of Wallingford to install electric vehicle charging. The commission resolved to send the letter to town department heads, the town councilors and the mayor. The commission also resolved to request an agenda item at a town council meeting(August earliest) to recommend charger installation. The commission also recommended contacting the Chamber of Commerce about advocating for EV chargers.

Meeting was adjourned at 8:30 PM
