

Wallingford Energy Conservation Commission
July 23, 2012 at 7:00 p.m.
Town Hall Room #116
45 South Main Street, Wallingford, CT

Attendees: Mary Mushinsky, Sharon Mooney, John Lynch, Bill Pursell, Ben Martin

Meeting Commenced at 7:18 PM outside of town hall due to the doors being locked.

The minutes of the June 4 meeting were approved.

The WECC Activity report was discussed with some edits suggested.

Document will be updated and possibly approved by email for distribution.

The Commission also discussed its role making the recommendations in the Municipal Building Energy Audit report are implemented. The commission decided to contact Ric Hendershot at the Wallingford Electric Division to see if he knows the status of the project.

Jon informed the commission that installation of the solar systems on the Wallingford School roofs may be delayed until next year due to problems with the condition on the roof.

The commission also discussed contacting the Choate Kohler Environmental Center for a tour of the solar system and Superintendent Menzo about getting a demo of the Energy Management terminal installed for the school system. It was suggested that the commission move the meeting date to 1st or 4th Wednesday accommodate people's schedule.

Meeting was adjourned at 8:30 PM.
