

SPECIAL MEETING NOTICE

The Wallingford Inland Wetlands and Watercourses Commission will hold a Special Meeting on Thursday, May 20, 2010, at 4:00 p.m., in the field at the property listed below for the purpose of conducting a site investigation relative to a violation matter now before the Commission. The purpose is to observe current site conditions and to hear soil scientist Thomas Pietras's responses to the list of questions finalized by the IWWC at its May 5 meeting. The list concerns the nature and extent of wetlands soils on site and information relative to recent filling. The Violator will provide equipment as the IWWC may request deep test pits to be excavated. The IWWC will discuss soils information / site conditions observed with the soils scientist on the site.

Meeting will convene in the field at 475 Williams Road.

In the event of severe weather, contact the Environmental Planning Office 203-294-2093 to ascertain if the meeting is to be cancelled.
