FOR IMMEDIATE RELEASE

Lieutenant Anthony DeMaio
Traffic Division
September 10, 2019 @ 3:30PM

Additional Stop Signs Posted on North Main Street and North Elm Street

The police department would like to inform the public of an impending change in traffic regulations that will result in changes to the intersections of North Main Street and High Street, and North Elm Street and High Street.

Two additional stop signs will be posted on North Main Street and will effect north and south bound traffic as it approaches High Street, creating a four-way stop at this intersection. The addition of one new stop sign posted on North Elm Street will effect north bound traffic as it approaches High Street, creating a three-way stop at this intersection.

These changes have been initiated in the interest of public safety and to facilitate improved traffic flow at these locations.
