TERMS AND CONDITIONS

Application Offer: This Initiative covers products purchased and installed or placed into stock in 2008 and 2009. Details of this rebate program, including rebate levels, are subject to change or cancellation without prior notice. Contact your utility for the latest program details. This application form with required documentation must be postmarked by December 31, 2009. Motor project/savings may not be claimed under any other program. Call 1-888-606-9787 for additional initiative details.

Completed and signed applications must be submitted within 30 days of the equipment installation to be eligible for rebates.

Eligibility: Rebates are available to industrial, commercial, institutional and agricultural electric services customers. Motors must be installed or stocked in the service territory of the participating municipal electric utility. Motors covered by this program must be new, three phase, induction motors, NEMA Design A & B, 1–200 HP, ODP or TEFC, 1200, 1800, or 3600 RPM. Other motors may be eligible for rebate under other programs. Please call 1-888-606-9787 for additional information.

Proof of Purchase: A sales slip itemizing the new equipment purchased must accompany each incentive application form. The proof of purchase must indicate type, size, make, and model number of the motor, as well as the date purchased.

Application Form: This application must be filled out completely, truthfully and accurately. An authorized representative of the customer must sign, date, and submit the application along with an itemized proof of purchase or invoice. The efficiency information provided should be the NEMA nominal-efficiency rating from the motor name-plate. Efficiencies are to be full-load nominal efficiencies tested in accordance with IEEE Standard 112, Test Method B.

Payment: Please allow 30 days for payment or account credit. Payment process may take longer if information is missing on application. Call 1-888-606-9787 for details.

Assignment: The customer may assign the rebate payment to a qualified contractor.

Approval and Verification: Pre-approval from your municipal electric utility is required if the rebate is greater than \$5,000. Your participating municipal electric utility reserves the right to verify sales transactions and to inspect the motor installed or stocked under this program prior to issuing rebates, or at a later time, for monitoring and evaluation purposes.

Tax Liability: Your participating municipal electric utility will not be responsible for any tax liability that may be imposed on the customer as a result of the payment of rebates. All customers must supply their Federal Tax Identification number or Social Security number and a completed and signed W-9 form in order to receive a rebate.

Endorsement: Your participating municipal electric utility does not endorse any particular manufacturer, product or system design in promoting this program.

Limitation of Liability: YOUR MUNICIPAL ELECTRIC UTILITY DOES NOT WARRANT THE PERFORMANCE OF INSTALLED EQUIPMENT, EXPRESSLY OR IMPLICITLY. Rotational speed differences between premium and EPACT motors can affect savings or performance. Contact your electrical contractor for details regarding equipment performance and warranties.

The liability of your participating municipal electric utility is limited to paying the Rebate specified. The participating municipal electric utility is not liable for any consequential or incidental damages or for any damages in tort connected with or resulting from participation in this rebate program.

Specific Requirements: Some utilities have specific requirements or conditions regarding issues such as: motors placed in stock, payment options, and rebate restrictions for facilities using self-generation for non-emergency purposes. Please call 1-888-606-9787 for additional details.

Owner's Certification: Owner certifies that he/she has purchased and installed the equipment listed above at the defined location. Owner agrees that all information is true and that he/she conformed to all equipment requirements listed. Owner has verified that the motors listed above have been installed correctly.

ISO-NE Capacity Payments: Customer agrees and acknowledges that this installation of energy efficiency measures by Contractor may result in financial incentives or environmental attributes related to Customer's participation in the Program which may benefit CMEEC and/or Utility. Customer hereby agrees to assign to CMEEC on behalf of Utility any and all right, title and interest in Customer's portion, if any, of such financial incentives and/or environmental attributes.
