

## Charter Revision Commission

This commission was formed in the spring of 2016 by the Town Council to review the Wallingford Town Charter and recommend changes in structure and language, including a Charge listing twelve specific topics.

All meetings are to be held in Room 315 of Town Hall and will begin at 6:30pm. While the public is invited to attend, there are no planned public question and answer periods. However, written correspondence is welcome and encouraged.
